

Accredited Professional Chess Coach

Level 1 Training Course (grass-roots)

You will be required to do some home-preparation before the event and again on Saturday night in preparation for a presentation on Sunday morning. Once payment has been received you will receive confirmation, a course outline and your instructions for preparation.

This 2-day program is the theory component of the course. Either prior or subsequent to the training we will arrange a time for you to observe a minimum of 2 chess lessons with an experienced Mentor Coach; you will also be required to present at least 2 sessions live, under full supervision.
